Audlem Cycling Club was first formed in 2008. The club was fully affiliated in the Spring of 2009 to British Cycling and is now in its 15th year. Tim Ball has had to take a back seat this year due to his health but as a committee we are looking to try to rejuvenate the interest in the club. If you know of any friends or cyclists who might be interested in joining the club, please would you invite them along.

Anyone who would like to join the committee, please feel free to get in touch.

The meeting will be followed by a light bites buffet.

To help with arrangements please could reply to this mail letting us know if you are able or not able to attend.

If there are any past members who no longer wish to receive any future communications about the club, please let Danny Yates our club membership secretary know.
